STAGE 5
RELEASE

BANKSIA RISE

Stage 5 Release

The next stage at Banksia Rise is now opening - offering buyers the chance to secure a brand-new home in one of South East Queensland's fastest-growing lifestyle corridors.

Perfectly positioned between Brisbane and the Gold Coast, Banksia Rise delivers the balance modern families are looking for: space to grow, access to everyday essentials, and a community designed for the future.

With schools, shopping, transport links, and health services all within easy reach, this is a location that makes everyday life simple - while still offering the peaceful lifestyle of a growing residential community.

FRD Homes is the exclusive builder for Banksia Rise. One of Queensland's leading wholesale builders, FRD are noted for delivering quality, value and long-term liveability, for owner-occupiers, renters and investors.

What makes this opportunity stand out:

- Brand-new house and land packages in a master-planned community
- Modern homes designed for today's families and investors
- Fixed-price packages providing confidence and budget certainty
- Energy-efficient homes built to meet modern construction standards
- A location positioned for continued growth in South East Queensland

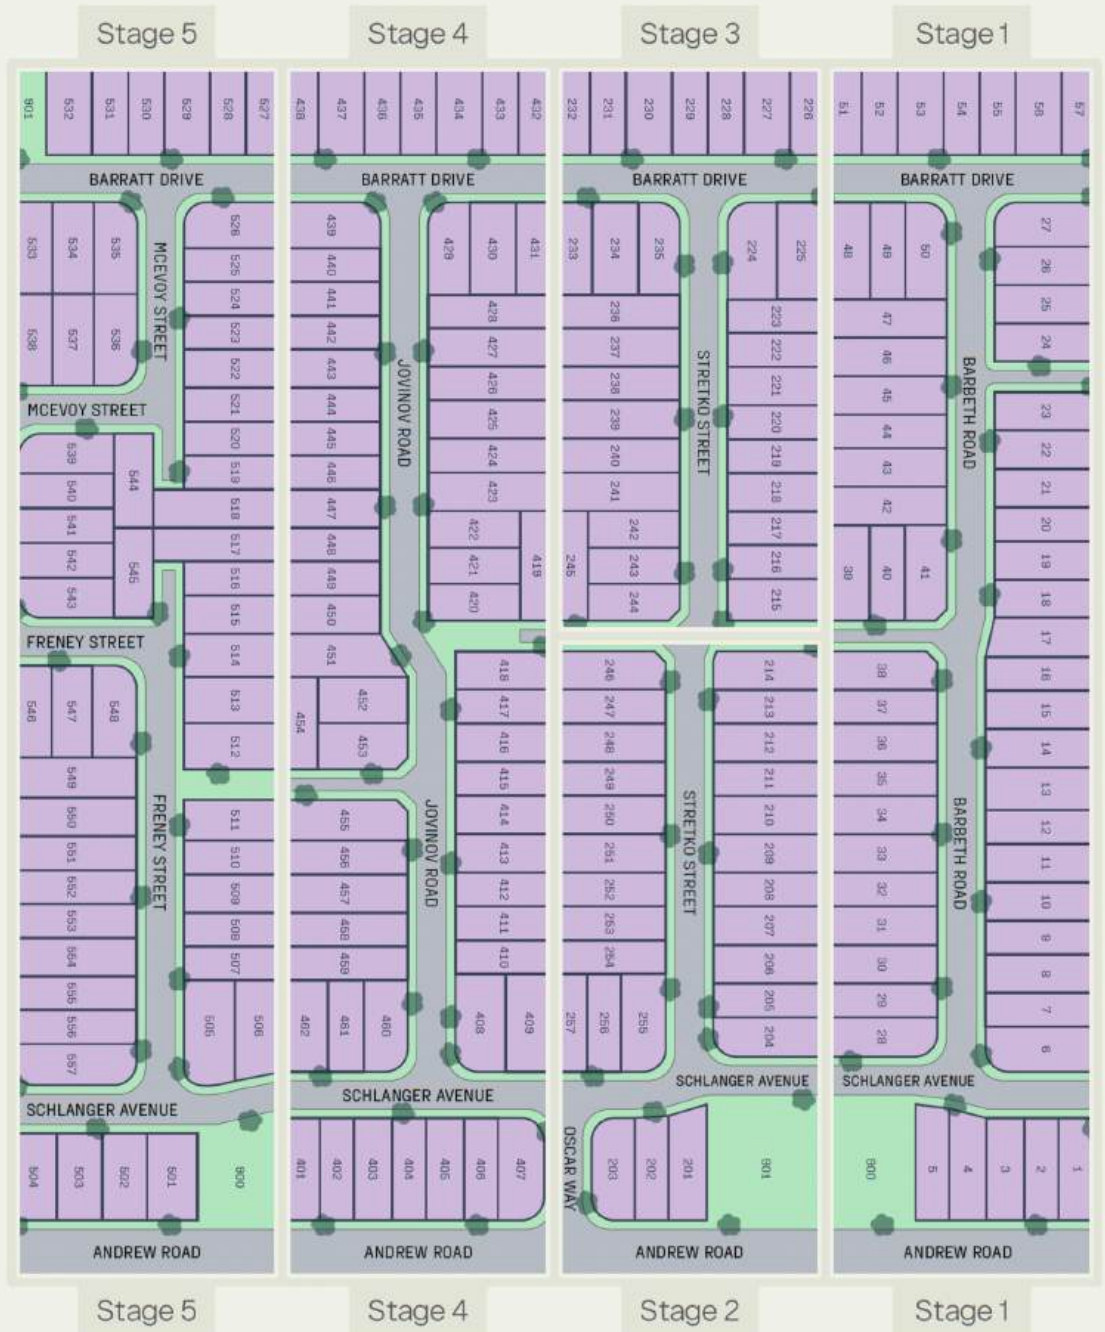

Whether a first-home buyer, growing family or expanding your portfolio, Banksia Rise offers a smart way to secure a modern home in a community on the rise with 57 lots ranging in size from 352 m² to 569 m².

This exclusive Stage 5 release represents the perfect opportunity to secure your future today.

FUTURE-FOCUSED RESIDENTIAL DEVELOPMENT

Integrity

FRD Homes is the exclusive builder at Banksia Rise. Every home is designed to perform today and into the future. That means durability, liveability and long-term value are non-negotiable. No shortcuts. No compromises.

Continuous Improvement

FRD has developed a systemised, tried and true build process to help reduce waste, improve build times and drive value. Our commitment to continuous improvement has seen us invest in cutting-edge ConTech, including AI and cloud-based systems which integrate site, office and customer service, reducing approval times, delivery windows and site downtime.

Opportunity

We believe homeownership shouldn't be reserved for the few. By focusing on smart design, efficient delivery, and fair pricing, we help more Australians step into the property market with confidence.
